

## MEDIA ALERT

### TechnoCom Highlights Location Accuracy and Testing Solution on Capitol Hill

**WHAT:** TechnoCom is showcasing its LocationAssurance Manager (LAM) at the **E9-1-1 Institute Emergency Communications Summer Technology Fair** July 12, 5:00-7:00 p.m. in the Foyer of the Rayburn House Office Building in Washington D.C.

Distinguished guests of the Technology Fair are the co-chairs of the Congressional E9-1-1 Caucus: Senators **Hillary Rodham Clinton (D-NY)** and **Ted Stevens (R-AK)**, Congresswoman **Anna Eshoo (D-CA)** and Congressman **John Shimkus (R-IL)**.

TechnoCom will provide an overview to their **LocationAssurance Manager (LAM) the industry's leading** location network monitoring, performance reporting and optimization E-9-1-1 testing solution. **The annual E9-1-1 Institute Fair** highlights the most advanced technology in emergency communications. Visitors to the TechnoCom booth will have access to TechnoCom President, Masoud Motamedi, who will present the LAM location accuracy and testing solution utilized to assure E9-1-1 regulatory compliance.

The LAM system's push button accuracy and compliance reports can be created for any defined geographic area – PSAP, MSA/RSA CMA/BTA or state. LAM is currently in use by tier one, two and three carriers to test their end-to-end E9-1-1 network.

**WHO:** **TechnoCom** offers a portfolio of advanced wireless location solutions and services for communication service providers, major system integrators, automotive manufacturers and government agencies. TechnoCom solutions analyze network and service performance from the customers' perspective, bridge the gap between location-based services infrastructure and applications and bring to market reliable, multiband wireless communications solutions for enhanced consumer safety and mobility. Founded in 1995, TechnoCom has been selected by Deloitte as one of the 50 fastest-growing technology companies in Los Angeles for the last four consecutive years. The company's customers include some of the world's largest wireless operators, systems integrators and automotive OEMs. For more information, visit [www.technocom-wireless.com](http://www.technocom-wireless.com).

**WHEN:** Thursday, July 12, 2007 5:00 – 7:00 p.m.

**WHERE:** Capitol Hill – Rayburn Foyer, Washington. D.C. 2262
