TECHNOCOM TO BE NAMED ONE OF THE LOS ANGELES' FASTEST GROWING TECHNOLOGY COMPANIES IN DELOITTE TECHNOLOGY FAST 50 PROGRAM

3rd Consecutive Year TechnoCom has been named to Fast 50

LOS ANGELES, Calif.—September 8, 2004--TechnoCom Corporation®, a leading provider of solutions to enable wireless location services and assure their ongoing performance, will be named to Deloitte's prestigious Technology Fast 50 Program for Los Angeles, a ranking of the 50 fastest growing technology companies in the area by Deloitte & Touche LLP, one of the nation's leading professional services firms. Scheduled to be announced at the Los Angeles awards dinner on September 13, Technology Fast 50 rankings are based on the percentage of growth in fiscal year revenues over five years, from 2000–2004.

Masoud Motamedi, president of TechnoCom, credits the company's fast, consistent growth over the past five years to delivering high quality solutions within targeted growth markets. "The location based services and advanced mobile resource management marketplaces offer outstanding opportunities for companies that can deliver proven products and services. TechnoCom has positioned itself well within these markets by providing our customers with solutions that few companies can match. We appreciate this award and are excited about the future."

To qualify for the Technology Fast 50, companies must have had operating revenues of at least \$50,000 in 2000 and \$1,000,000 in 2004, must be public or private companies headquartered in North America, and be a "technology company" defined as owning proprietary technology that contributes to a significant portion of the company's operating revenues (using other companies' technology in a unique way does not

qualify); and/or devoting a significant proportion of revenues to research and development of technology.

“Sustaining high revenue growth over five years is an exceptional accomplishment. We commend TechnoCom for making the commitment to technology and delivering on the promise of market longevity,” says Tim Lovoy, partner, Technology, Media & Telecommunications, Deloitte & Touche LLP. “We are proud to honor TechnoCom as a Deloitte Technology Fast 50 winner.”

Winners of the 19 regional Technology Fast 50 programs in the United States and Canada are automatically entered in the Deloitte Technology Fast 500 program, which ranks North America’s top 500 fastest growing technology companies.
